CHILD LOCK

SIX ROLLARS

4.5 STAR
ENERGY RATING

Hybrid Fridge / Freezer | Switchable between Refrigerator (2°C to 8°C) and Freezer (-16°C to -24°C) by adjusting the thermostat.

Inverter System | The CHiQ super-efficient inverter system runs more consistently and at controlled speeds, which maintains a constant temperature to keep your food fresher. The compressor uses significantly less energy and is also quieter than traditional compressors.

Electronic Control | The LED digital temperature display and electronic controls ensures the optimum control and allows for seamless setting adjustments for different modes.

Interior LED Light | LED lights are energy efficient and reduce heat output and provide a better internal view of your contents.

3 PCS Sliding Removable Basket | Provides flexible storage solutions.

Child Lock | Touch Control Child Lock prevents accidental setting changes on the Freezer's control panel.

Six Rollers | This practical feature makes it easier to maneuver the item when cleaning behind or moving the unit to another location.

4.5 STAR Energy Rating | CHiQ new frequency electronic control Hybrid Chest Freezer, with 4.5 star energy rating, low noise, fast freeze and more stable temperature, is your smart choice for everyday family needs.

FREEZER COMPARTMENT

Net Capacity (L)	500(R:/ F:500)	Basket	3
Refrigerant Type	R600a	LED Light	Yes
Finish	White	WARRANTY
