Frost Free | The CHI Q Frost Free feature maintains the correct internal temperature for more effective food preservation meaning there is no need to manually defrost the unit.

Multi Air Flow | The system ensures chilled air reaches each shelf quickly and uniformly to ensure the food will stay fresher for longer.

Electronic Control | Inner Electronic Board for precise temperature & humidity control, for longer lasting freshness.

Humidity Control Crisper | You can adjust the integrated humidity control slider to low setting which allows fruit to stay fresh for longer or you can adjust the setting to high which helps leafy vegetables to stay crisp for longer.

Tempered Glass Shelves | Elegant in appearance, safe to use and easy to clean. With plenty of bracket options, the shelves can be adjusted to allow maximum use of the internal space.

Interior LED Light | LED lights are energy efficient and reduce heat output and provide lighting for a better internal view of your contents.
