5.5 STAR
ENERGY RATING

Hybrid Fridge / Freezer | Switchable between Refrigerator (2°C to 8°C) and Freezer (-16°C to -28°C) by adjusting the thermostat.

Inverter System | The CHI Q super-efficient inverter system runs more consistently and at controlled speeds, which maintains a constant temperature to keep your food fresher. The compressor uses significantly less energy and is also quieter than traditional compressors.

Electronic Control | The LED digital temperature display and electronic controls ensures the optimum control and allows for seamless setting adjustments for different modes.

Interior LED Light | LED lights are energy efficient and reduce heat output and provide a better internal view of your contents.

Sliding Removable Basket | Provides flexible storage solutions.

Child Lock | Touch Control Child Lock prevents accidental setting changes on the Freezer's control panel.

Wire Mesh Partition | CHI Q wire mesh partition separates the freezer space and adds to your multi-storage options.

5.5 STAR Energy Rating | CHI Q new frequency electronic control Hybrid Chest Freezer, with 5.5 star energy rating, low noise, fast freeze and more stable temperature, is your smart choice for everyday family needs.
