4 STAR ENERGY RATING

Inverter System | The CHI Q super-efficient inverter system is quieter than traditional compressors, and also keeps your food fresher for longer, which saves on energy consumption.

Frost Free | The CHI Q Frost Free feature maintains the correct internal temperature for more effective food preservation meaning there is no need to manually defrost the unit.

Multi Air Flow | The system ensures chilled air reaches each shelf quickly and uniformly to ensure the food will stay fresher for longer.

Premium Flat Door | Premium Flat Door with recessed handle, make your kitchen elegant, convenient and premium.

LED Display with Control | The LED digital temperature display and electronic controls ensures the optimum control of the fridge and allows for seamless setting adjustments for different modes.

Luxury LED Light | Luxury LED lights are energy efficient and reduce heat output and provide lighting for a better internal view of your contents.

Care+ Crisper | Three different mode settings provide more suitable temperature settings for storing meat, fruits, and vegetables.

4 STAR Energy Rating | CHI Q new frequency electronic control 503L Cross Door, with 4 star energy rating, low noise, frost free, multi air flow, fast cool and more stable temperature, is your smart choice for everyday family needs.
