Triple Glass Door | Our triple glass doors provide exceptional insulation, significantly outperforming double glass alternatives. This design enhances cooling efficiency and reduces condensation.

Low E Glass | Low E glass provides superior insulation, UV protection, enhanced comfort, and energy savings while maintaining clear visibility.

Adjustable Feet | This practical feature makes it easier if you need to adjust the stability of your Bar Fridge.

Interior Light | The Interior Light makes internal inspection of the Bar Fridge contents more convenient and easier to find.

Low Noise | The Bar Fridge operates at a reduced noise level, without causing any disturbance to a quiet home environment.

Tempered Glass Shelves | Elegant in appearance, safe to use and easy to clean. With plenty of bracket options, the shelves can be adjusted to allow maximum use of the internal space.
